

INFORMATION ABOUT OUR USE OF COOKIES www.airx.aero

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website, personalise content and ads, provide social media features and to analyse our traffic. The cookies help us to share information about your website experience with our advertising and social media partners. By continuing to browse the site, you are agreeing to our use of cookies

Cookies are a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. They contain information which is transferred to your computer's hard drive.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website. They enable basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies.
- **Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:
